

Shri Atal Bihari Vajpayee medical college & Research institute

Shivajinagar, Bangalore

Department of Anatomy

Annexure II

Designation	Faculty Name	List of publications		
		Title	Journal	Publication date
Professor & HOD	Dr. Meenakshi Parthasarathy	Role of MRI over trans perineal ultrasound in perianeal fistulas	Indian journal of applied research	Volume 12, issue 2, February 2022
		Role of MD CT& USG in evaluating retro peritoneal masses	International journal of contemporary medicine, surgery and radiology	DOI 10.21276.2021.6.11
		Mr imaging in spinal dysraphism: A pictorial review	Journal of Dental and Medical Science	Volume 18, issue 4, April 2019
		Variation in the location of formation of median nerve & multiple lateral roots of the median nerve	Journal of Dental and Medical Science	Volume 18, issue 7, July 2019
		Anatomical Variant origin of suprarenal arteries from Coeliac trunk- development and its clinical significance	International Journal of Research in Medical Science	Volume 8, issue 2, February 2020
Associate professor	Dr. Sowmya S	Sex Determination of Talus: A comparative study	Indian Journal of Clinical Anatomy and Physiology	Volume 6, issue 4, 2019
		Nutrient foramen of Clavicle and Anatomical and Topographic study	Indian Journal of Clinical Anatomy and Physiology	Volume 6, issue 4, 2019
		A study of lateral circumflex femoral artery and its applied aspects	Indian Journal of Clinical Anatomy and Physiology	Volume 6, issue 4, 2019
Assistant professor	Dr. Kavya	Guyons canal - Anatomical variations of ulnar nerve.	International Journal of Anatomy	Volume 12, issue 3, December 2019
		Nutrient foramen of clavicle an anatomical and a topographic study	Indian Journal of Clinical Anatomy and Physiology	Volume 6, issue 4, 2019

	Dr. Chitra N	Effectiveness of blended learning in radiological anatomy for first year undergraduate medical students	Surgical and Radiological Anatomy	DOI 10.1007/s00276-020-02572-x
Tutors	Mrs. Sangeetha	Study of Surgical anatomy of portal vein of liver segments by cast method and its clinical implications	Anatomy and cell biology	Volume 51, 2018

		A study of lateral circumflex femoral artery and its applied aspects	Indian Journal of Clinical Anatomy and Physiology	Volume 6, issue 4, 2019
		The study of coracoacromial ligament morphology and its clinical aspects	International Journal of Anatomy and Research.	2020, Vol 8(1.2):7342-45

		Morphological study of sphenoid sinus and its relation with surrounding neurovascular structures	Indian Journal of Anatomy.	2017; 6(1) 4745
		Study of pterion; its clinical and morphological aspects	Indian Journal of Clinical Anatomy & Physiology	2017; 4(2)
		The study of femoral artery & its deep branches in femoral triangle	Indian Journal of Anatomy	2017;6(1)5042
		Anatomical study of inferior phrenic artery from coeliac trunk with its developmental aspects	Indian Journal of Anatomy	2017; 6(1)4744
		A cadaveric study of additional head of biceps brachii muscle in south Indian population	J.Evid.Based Med. Healthc	2016,2349 - 2562;3790
Assistant professor	Dr. Jyothi Lakshmi G.L.	Morphometry and Morphology of variations of Gall Bladder.	International Journal of Anatomy and Research	Volume 8, Issue 2.1, 2020
		An osteological study of styloid process in adult South Indian population.	International Journal Of Health and Clinical Research	Volume 4, Issue 24, 2021
		A Morphometric study of Foramen Ovale	International Journal Of Health and Clinical Research	Volume 4, Issue 24, 2021
		Morphometric study of Mandibular foramen in dry skulls and its clinical applications.	International Journal Of Health and Clinical Research	Volume 5, Issue 2, 2022
		A safe corridor using palpable anatomical landmarks to avoid injury to common peroneal nerve – A	National Journal of Clinical Anatomy	Volume 11, Issue 2, 2022

		Morphometric analysis of Anterior cruciate Ligament: South Indian Cadaveric Study.	National Journal of Clinical Anatomy	Volume 11, Issue 4, 2022
Tutors	Mrs. Sangeetha	Study of Surgical anatomy of portal vein of liver segments by cast method and its clinical implications	Anatomy and cell biology	Volume 51, 2018
