

ANNEXURE-1

DEPARTMENT OF DENTISTRY

Sl. No.	Faculty Name	Publication in Vancouver referencing style	PubMed Indexed Yes/No	Scopes
1	Dr. Kumaraswamy K .M Professor Dept. of Dentistry	Jayasudha K, Kumarswamy KM, Padmini MN, Chandralekha B, Shruthi DP. Dental students perception of orthodontic treatment. Journal of Indian Association of Public Health Dentistry. 2015 Jan 1;13(1):79-82.	No	No
		Pradeep AR, Happy D, Garg G. Short-term clinical effects of commercially available gel containing Acacia arabica: a randomized controlled clinical trial. Australian dental journal. 2010 Mar;55(1):65-9.	No	No
		Kathariya R, Pradeep AR. Salivary proteomic biomarkers for oral diseases: a review of literature. Arch Oral Sci Res. 2010;1(1):43-9.	No	No
		Sharma A, Rao NS, Mehta NP, Pradeep AR, Ramchandraprasad MV. Association between psoriasis and chronic periodontitis: a rare case report. AOSR. 2011;1:5-7.	No	No
		Raghu HH. <i>Comparison of Frictional Resistance Between Polymer Coated Elastomeric Modules and Conventional Modules-An In-Vivo Study</i> (Doctoral dissertation, Rajiv Gandhi University of Health Sciences (India)).	No	No
2	Dr. Avinash Kumar Associate Professor Dept. of Dentistry	Avinash Kumar , Hajra Ghafoor, Arifa Khanam: A Comparison Of Three Dimensional Stress Distribution And Displacement Of Maxillary Complex On Application Of Forces Using Quad Helix And Niti Expander-A Fem Study. <i>Progress in Orthodontics</i> 2016;17:17	Yes	No
		Avinash Kumar , Arifa Khanam, Hajra Ghafoor: Effects of Intraoral Aging of Arch Wires on Frictional Forces: An ex vivo study. <i>Journal of Orthodontic Science</i> 2016; 5(4): 109-116.	Yes	No
		Avinash Kumar , Hajra Ghafoor: the analysis of three dimensional effects of Nitantium palatal expander 2 and hyrax maxillary expansion appliances on craniofacial structures: A Finite element study. <i>Journal of Indian Orthodontic Society</i> 2017;51(3): 160-167.	No	No
		Avinash Kumar , Prasad Konda: X-ray diffraction of orthodontic arch wires for evaluation and comparison of surface deposits: An in vitro study. <i>Journal of Orthodontic Research</i> 2014; 2(2):74-78.	No	No

		Nadeem Husain, Avinash Kumar : Frictional resistance between orthodontic brackets and arch wires: An In-vitro study. <i>Journal Contemporary Dental Practice</i> 2011;12(2):91-99	Yes	No
		Prasad Konda, Ranjith Kamble, and Avinash Kumar : An evaluation and comparison of surface corrosion of orthodontic arch wires using scanning electron microscope: An In-vitro study. <i>Journal of Indian Orthodontic Society</i> 2013; 47(1):16-20.	No	No
		Avinash Kumar , Prasad Konda: Patterns of stress distribution during simple tooth movements - A finite element study” <i>Indian Journal of Stomatology</i> 2012, 3(4):226-35	No	No
3	Dr. Tejashree R Assistant Professor Dept. of Dentistry	Tejashree R, Annaji GA. Anaerobic Organisms and Its Antibiotic Sensitivity in Diabetic Dentoalveolar Abscess – A Cross Sectional, Descriptive Study. <i>Ann. Int. Med. Den. Res.</i> 2021; 7(2):DE01-DE06.	No	No
		R Tejashree, BR Hemalatha/The Effect of Magnesium Lozenge on Pain, Oedema and Trismus after Impacted Third Molar Surgery: A Prospective Randomized, Double-Blinded, Placebo-Controlled Study / <i>Indian J Dent Educ.</i> 2021;14(2):41- 46	No	No
		Tejashree R, Annaji GA. Isolation and identification of anaerobic organisms in dentoalveolar abscess: A descriptive study. <i>International Journal of Applied Dental Sciences</i> 2021; 7(1): 16-20	No	No
		Rajanna T, Hemalatha B R. The effect of zinc lozenge on pain, oedema, and trismus after impacted third molar surgery: A prospective randomized, double-blinded, placebo-controlled study. <i>J Dent Spec</i> 2021;9(1):13-18.	No	No
		R. Tejashree, B.R. Hemalatha. The Effect of Magnesium and Zinc Lozenge on Postoperative Sequelae after Third Molar Surgery: A Prospective Randomized, Placebo Controlled Study. <i>Research & Reviews: A Journal of Dentistry.</i> 2021; 12(2): 10–18p	No	No
		Tejashree R, Annaji GA, Incidence and Antibiotic Sensitivity of Anaerobic Bacteria in Dentoalveolar Abscess of Diabetic and Non-Diabetic Patients: A Cross Sectional Comparative Study, <i>J Res Med Dent Sci</i> , 2020, 8 (7): 428-434.	No	No
		Tejashree R & Hemalatha BR. The Effect of Flurbiprofen Lozenge on Pain, Oedema, and Trismus after Impacted Third Molar Surgery: A Prospective Randomized, Double-Blinded, Placebo-Controlled Study. <i>Sch J Dent Sci</i> , 2021 Jun 8(5): 160-165.	No	No
