

SHRI ATAL BIHARI VAJPAYEE MEDICAL COLLEGE AND RESEARCH INSTITUTE

DEPARTMENT OF ORTHOPAEDICS

Sl No.	Name of Faculty	Title of publication	Journals
1	Dr Manoj Kumar. H. V. (First Author)	Bilateral stress fracture femur presenting with thigh pain	Soudi Journal of Sports Medicine July – December 2014 Volume 14 Issue 2
2	Dr Manoj Kumar. H. V. (Third Author)	Incidence of stress fractures in Indian Military Recruits	International journal of orthopaedics and rehabilitation, 2015, 2, 5-8 E-ISSN: 2313-0954/15
3	Dr Manoj Kumar. H. V. (First Author)	A prospective study to analyse efficacy of directly observed treatment in short course regime in different stage of final TB	Journal of evidence base medicine & healthcare, pISSN - 2349-2562, eSSSN-2349-2570/ Vol. 2/Issue 7/feb 16, 2015
4	Dr Manoj Kumar. H. V. (Second Author)	High incidence of stress fracture in military cadets during training	Journal of clinical & diagnostic research. 2015 Aug, Vol-9(8): RC01-RC03
5	Dr Manoj Kumar. H. V. (First Author)	Functional and radiological outcome in management of thoraco-lumbar fractures without neurological deficits	International journal of orthopaedics traumatology & surgical science, (p) – 2455-0809 (e) – 2454-4167
6	Dr Manoj Kumar. H. V. (First Author)	A Prospective study of clinicoradiological outcome assessment in Proximal Femoral Nail	International journal of contemporary medical research ISSN(online): 2393-915X; (print): 2454-7379
7	Dr Manoj Kumar. H. V. (First Author)	Delayed presentation of displaced neck of femur fractures in patients under sixty years of age – A prospective functional outcome assessment study after Osteosynthesis	International journal of orthopaedics sciences 2017, volume 3 Issue 3 Pages: 537-542 CODEN: IJOSGB P-ISSN: 2706-6630
8	Dr Manoj Kumar. H. V. (Second Author)	Functional outcome assessment of columnar fixation in proximal tibia fractures: A prospective study	International journal of orthopaedics sciences 2020: 6(1): 491-496
9	Dr Manoj Kumar. H. V. (First Author)	Infection rates following internal fixation of open and closed tibia fractures with intramedullary interlocking nail-observational cohort study	International journal of orthopaedics sciences 2021; 7(2): 767-775
10	Dr Manoj Kumar. H. V. (First Author)	Comparative study on four different types of conservative management in low back pain due to lumbar intervertebral disc prolapse	European Journal of Molecular & Clinical Medicine (EJMCM) ISSN: 2515-8260 Volume 08, Issue 04, 2021
11	Dr Somashekar (Second Author)	Comparative study on four different types of conservative management in low back pain due to lumbar inter vertebral disc prolapse	European journal of Molecular and Clinical medicine ISSN 2515 -8260 , volume 08 , issue 04,2021

12	Dr Somashekar (Second Author)	A study on clinical profile of patients with intervertebral disc prolapse	European journal of Molecular and Clinical medicine ISSN 2515 -8260 , volume 08 , issue 04,2021
13	Dr Somashekar (Fourth Author)	A prospective comparative study of functional and radiological outcome in percutaneous trans-olecranon fossa four cortex purchase lateral pinning versus cross pinning in displaced supracondylar fractures of humerus in children	European journal of Molecular and Clinical medicine ISSN 2515 -8260 , volume 09 , issue 02,2022
14	Dr Somashekar (Third Author)	Midline Solitary Osteochondroma of C2 Vertebra with myelopathy in a child ; A case report with review of literature	Indian spinal journal , volume 4 , issue 2 , July December 2021
15	Dr Somashekar (Second Author)	Functional and Radiological outcomes in Ipsilateral femur and tibial fractures (floating knee)	International Journal of science and research , issue 2319-7064, sjif 2019, 7.583
16	Dr Keerthi Cyg (Third Author)	A study on clinical profile of patients with intervertebral disc prolapse	European journal of Molecular and Clinical medicine ISSN 2515 -8260 , volume 08 , issue 04,2021
17	Dr Chethan (First Author)	A clinical study of neglected idiopathic CTEV managed by ligamentotaxis using Joshi's external stabilizing system	International journal of Orthopaedics Sciences 2018:4(3);677-681
18	Dr Chethan (Second Author)	A study of functional outcome of femoral diaphyseal fractures by closed reduction and internal fixation using intramedullary interlocking nail in adults	International journal of Orthopaedics Sciences 2019 :5(1) ;132-138
19	Dr Chethan (Second Author)	Distal metaphyseal tibia fractures: Is an IMIL nail an adequate implant ? An observational study on the functional and radiological outcome	National Journal Of clinical Orthopaedics 2021;5(4),37-41
20	Dr Chethan (Second Author)	Impact of location of disc relative to root – Axillary vs shoulder on functional outcome in patients with lumbar disc herniation following micro discectomy	National Journal Of clinical Orthopaedics 2021;5(3),177-180
21	Dr Chethan (Second Author)	Functional and radiological assessment of reconstructed anterior cruciate ligament with respect to graft stretch	European journal of Molecular and Clinical medicine ISSN 2515 -8260 , volume 07 , issue 11,2020.
22	Dr Joe Lourdu Pradeep (First Author)	A prospective study on effectiveness of methylprednisolone acetate injection plus casting versus casting alone for the treatment of dequervains tenosynovitis	International Journal of Orthopaedic Sciences 2021 , volume 7 , issue 1
23	Dr Joe Lourdu Pradeep (First Author)	A prospective study on effectiveness of methylprednisolone acetate injection plus casting versus casting alone for the treatment of dequervains tenosynovitis	International journal of Orthopaedics Sciences 2021 :7(1) ;83-86
